Alan:

to be clear, you will be attending the February 3 meeting in Anchorage in person?
Just want to make sure as we are creating the list to pass along to Pebble. Thanks.

Jeff,
I'd like to attend the Febuary 3 sessionswhere the PLP contractor will be presenting the cultural resources and subsistence/traditional knowledge information.
I'd like to listen in to the web conference the other days. Thanks
Alan

Attached below is the Agenda for the Pebble Project Environmental Baseline Studies Agency Meeting, January 31 - February 3, 2012.

We understand that PLP will be making it possible for folks to listen in via web conferencing.

If you are interested in participating via web conferencing, please let me know, and identify which days you might be tuning in. We may be asked by Pebble to provide a head-count, and I'm trying to be ready for the answer.

Please respond by COB Friday, January 13th. (It's a lucky day!)

Thanks all.
